## Chili Cook-Off—

MTDGA will be hosting another Chili Cook-Off for  
yearly bragging rights and a first place trophy for best  
chili. Participants are required to bring their chili in a  
crockpot to the Wilderness Station and be plugged in  
before the first round. All chili will be judged before  
first round is over and we will have a chili lunch be-  
tween rounds for all ice bowl participants. There  
were 12 different chilies last year, we would like to  
see that many or more this year. Good luck!
